

XV Vitreoretinal symposium
“Do we know everything about macula?”

Event organizer: prof. Nelly Sivkova

10:30-12:00 First part, Hall Rila,

Moderators: prof. Nelly Sivkova, prof. Ulrich Bartz-Schmidt

- 10:30 – 10:45** Do we need ILM flap for macular hole surgery?
U. Bartz-Schmidt (Tübingen, Germany)
- 10:45 – 11:00** Epiretinal membrane – prognostic factors and efficiency of the surgical treatment
D. Koleva-Georgieva (Plovdiv)
- 11:00 – 11:15** Myopic foveoschysis: to operate or not?
I. Shandurkov (Sofia)
- 11:15 – 11:30** Fluid in the macula: what to do?
N. Sivkova (Plovdiv)
- 11:30 – 11:45** Macular atrophy in patients treated with anti-VEGF for neovascular macular degeneration (nAMD). What we know, what we need to do?
St. Mennel (Feldkirch, Austria)
- 11:45 – 12:00** Discussion

13:00-14:30 Second part, Hall “Borovetz”

Moderators: prof. Iva Petkova, Assoc. prof. D. Koleva-Georgieva

- 13:00 – 13:15** Genetic testing landscape study
O. Galvin, P. Stratieva, A. Daly (Europa, Australia)
- 13:15 – 13:30** Combined treatment of venous occlusions associated with macular edema
D. Georgieva, K. Telbisova, I. Petkova (Sofia)
- 13:30 – 13:45** Macular edema in noninfectious uveitis
V. Mitkova-Hristova (Plovdiv)
- 13:45 – 14:00** Macular morphology in retinopathy of prematurity
S. Krumova, V. Marinov, N. Sivkova (Plovdiv)
- 14:00 – 14:15** Possibilities for optic correction in patients with AMD
H. Blagoev (Sofia)
- 14:15 – 14:30** Discussion
